NZC Community Hui:

On the 29th-1st of May the ND community team headed down to Lincoln to join the other DA/MA's for NZC's annual Community Hui. The 3 days were packed full of insightful workshops and provided a great opportunity for networking. After hearing the other regions' successes and challenges of the 24/25 season, the ND community Staff came away with some great initiatives and were ready to get stuck into the winter planning period.

Highlights of the Month

Inspire Women's Coaching Workshop:

On Monday the 26th of May, we hosted our first of four workshops in the Inspire series: Coaching!

We had 11 enthusiastic coaches attend, who had a range of different experience levels.

Janice Fraser was our guest speaker, who shared great insights of what she has learnt throughout her coaching career thus far.

The coaches then took part in a practical session (NZC foundation course) where they gained experience in leading drills and learnt new activities to include in their own training sessions.

If you're interested in registering for any of the upcoming workshops, please follow [this link](#).

NDCA Community team day:

On Thursday the 5th June, the NDCA community team from across the region came together to work on strategies for growing & strengthening cricket in our region.

Great Info for Clubs

ND is hosting the national Umpires and Scorers Workshop (used to be NZCUSA Conference) this year and it will be held on the 20th of September at Seddon Park.

This year we do away with the traditional conference setup, and we will have a ND spin on it – focusing on capability, opportunity and positive influence. The sessions will include:

- Cultural capability (working with diverse groups)
- Having a growth mindset
- Positively influencing people
- How to “park”/process those not so good decisions
- How to overcome personal obstacles and still perform well

If there is anything you would like to have included in the next newsletter or would like any further information, please feel free to get in touch: hello@ndca.co.nz
