JUNIOR – TAMARIKI PHILOSOPHY OF PLAY

New Zealand Cricket, Northern Districts and District Associations welcome all participants to the tamariki game. With the purpose to “Connect People, Create Memories”, all abilities are provided for with a goal to ensure opportunities of play for all.

Across Northern Districts, all junior competition formats are aligned with the [NZC Junior Game](#) framework and the [Sport NZ Balance is Better](#) principles. This means a number of great considerations to focus on fun and enjoyment for our tamariki:

- Shorter Pitch lengths to reflect the proportionate size of pitch to player.
- Smaller team numbers to ensure more action, more movement, and more inclusion for each player.
- Shortened boundaries to bring to life boundary scoring and outfield catching.
- Batting connects; both pairs cricket and/or ‘grace periods’ have been implemented to encourage fair opportunities of play and for batters to play with courage and freedom.
- Encourage friends to continue to play with friends regardless of ability through the removal of grading leagues and selected teams across the Tamariki age groups.

Cricket’s objective is for every individual to love the game, connect, contribute and reach their potential, whether that be their local patch of grass or representing the Fern.

THANK YOU TO ALL GAME VOLUNTEERS

Tamariki play is founded from the passion, selflessness and connection of volunteers to the game and to our tamariki. From all across Northern Districts and the District Associations, we would like to acknowledge the significant contribution that all volunteers make to the game. As the heartbeat of the community game and the role models for our tamariki, thank you for enabling cricket to reach into the lives of tamariki and for the fun and enjoyment that you will share both on the field of play, at the beach and in the backyard. Cricket’s goal nationally is to be “A Game for All, A Game for Life” and our volunteers are the driving force behind every experience and memory of the game.

PLAYHQ SCORING PLATFORM

New Zealand Cricket have nominated the national competition and scoring platform as PlayHQ. All competitions across New Zealand are required to use this platform and to assist with learning and understanding the platform, Northern Districts has information online at [Northern Districts PlayHQ](#).

JUNIOR – TAMARIKI CANCELLATION POLICY

The regional Competition Administration team are focused to ensure fixtures and opportunities of play are maximised throughout the season with a goal to ensure great game experiences for parents and tamariki.

With weather a critical factor to enabling play, the Competition Administration team acknowledge the importance to all families for timely notice to any cancellations, while ensuring the appropriate decision is made to maximise opportunity of play.

With competition administrations based across the region, individual decisions will be made based on each geographic area. Where play is possible, play will be encouraged, even if this means that some games proceed while others are unable (if for example there are scattered showers).

The following cancellation processes will occur with relevant contact details provided to each team to enable communications:

Region	Day of Play	Process of Cancellation
Counties Manukau	Any day of play	Cancelled by agreement between teams.
Hamilton	Midweek	Cancelled by agreement between teams.
	Friday	Cancelled by 2:30pm each Friday as determined by Competition Administrator. Any cancellation decision will be communicated by Competition Administration to all team coaches and posted on the HCA Facebook page.
	Saturday	Cancelled by 08:00am each Saturday as determined by Competition Administrator. Any cancellation decision will be communicated by Competition Administration to all team coaches and posted on the HCA Facebook page.
Waikato Valley	Any day of play	Cancelled by agreement between teams.

JUNIOR – TAMARIKI ANZ PLAYER CERTIFICATES

NZC is proud to partner with ANZ to provide each tamariki team across the country with certificates to celebrate “Most Valued Player” for each game of the season. Please contact your local regional Development Manager or Officer to receive your team allocation of certificates for the season.

JUNIOR – TAMARIKI COACH INFORMATION

All coaches must be registered via NZC's online coaching database, Friendly Manager.

- **New Coaches** can register to become a coach here; [New Coach Registration](#)
- **Existing Coaches** can reregister to become a coach here: [Existing Coach Registration](#)

Safeguarding across the national game is a primary focus and as part of this process, all coaches must receive a clear police vet via the NZC police vet system and complete the Vulnerable Persons Modules available online upon registration. The safety and wellbeing of our tamariki and rangatahi participants is the games number one priority. All coaches are also encouraged to complete the relevant coach qualification which includes a practical session with a regional lead trained to develop and support coaches.

Coaches are, in so many ways, the sport. Coaches are the people children listen to, learn from and respect. Just as a great coach can inspire the hearts and minds of children to want to train and compete in sport, a poor coach can cause young participants and families to walk away from the game and potentially never to return. A network of appropriately qualified coaches which have completed appropriate coaching qualifications will assist to create a safe environment and improve coach capability to inspire the hearts and minds of children and young people, thereby retaining tamariki within the game.

At the heart of the new Coaching and Vulnerable Persons policy is the need to maintain a healthy, safe and enjoyable environment for all those who play cricket. Children enjoy their experience most when they are in a safe environment, learn and improve, play with friends and whanau and are given opportunities to contribute.

Adults interacting with children and/or vulnerable adults are in a position of trust and influence and, as such, have a significant role to play in creating this safe environment. As a part of NZC's overall push for "best practice" standards in the area of coaching and supervision, the Vulnerable Persons policy and coach qualification is viewed as a fundamental requirement.

In terms of the police vetting process, NZC wishes to emphasise this is not an attempt to identify or disqualify individuals with minor or irrelevant criminal records, either current or historic. On the contrary, the initiative is based on creating safer and more secure cricketing environments for both children and vulnerable adults, and for those charged with upholding a duty of care and responsibility – i.e.: NZC, MAs, DAs and clubs.

NZC and all District Associations would like to take this opportunity to thank coaches for all that you do and the valuable impact you have on our young tamariki.

HELMET REGULATION

Helmets are mandatory for all batters and wicket keepers in hard ball grades. Please refer to the [NZC Helmet Policy](#) for further information.

SAFEGUARDING

Northern Districts has outlined regional safeguarding: [Northern Districts Safeguarding](#)

Safeguarding is based upon the concept of providing an enjoyable environment tailored to the needs and requirements of Children and Vulnerable Adults. Adults interacting with children and vulnerable adults in sport are in a position of trust and influence and should therefore ensure that everyone is treated with integrity and respect while ensuring that the self-esteem of the person is enhanced. Everyone involved in delivering cricket, especially to children and vulnerable adults has a role to play in creating the best possible environment for all to participate within. Coaches and anyone engaging with tamariki and rangatahi must be police vetted.

Every person in cricket, in every role and no matter what age or stage has the right to participate in an environment that is fun, safe and healthy, and to be treated with respect, dignity and fairness.

Bullying denies participants these rights and can result in feelings of disgrace, embarrassment, shame or intimidation. Bullying can also affect an individual's athletic performance, level of enjoyment, work or school life, academic achievement and physical and/or mental health.

Bullying can occur both on and off the field of play and can involve players, parents, coaches, spectators or umpires.

Northern Districts and District Associations do not accept bullying within the sport and sees it as everyone's responsibility to implement and support anti-bullying within cricket and across all facets of life. New Zealand Cricket has developed the following Codes of Conduct for parents/caregivers, players and coaches to help ensure cricket is a safe and healthy environment for participants to engage within and enjoy.

Encourage your child to play within the rules and to respect officials and coaches

04

Always recognise and respect the value and importance of volunteers
Refrain from any personal abuse towards officials and volunteers.
Remember they are people who give up their time to make the game happen for your child
If appropriate, offer a helping hand

05

Respect the rights, dignity and worth of every person regardless of their gender, ability, ethnicity or religion
Every child deserves the right to have fun and enjoy cricket in an inclusive, safe and supportive environment

TAMARIKI BEHAVIOUR GUIDELINES

All players, umpires, managers, coaches, parents and spectators should play cricket with the following ideas in mind:

Player

Play by the rules and respect all decisions made by umpires

Be humble in winning and gracious in losing

Enjoy playing with your team, and cooperate with coaches/parents/officials

Do your best to listen and learn from your coach

Thank your opposition, officials, coaches and team after every game

Play to your best ability, giving 100% effort but remember winning is not everything

Coaches/Managers/Parents

Be a positive role module. Players and tamariki learn from the examples they see

Focus on development, not the result. Create an environment with is fun to learn and play in.

Respect the decisions of those around you

Encourage everyone, celebrate success no matter how small.

Set the standard of “positive vibes” on the sideline. Poor behaviour will not be tolerated

Remember tamariki are participating for their enjoyment of the game, not yours

Tamariki Behavioural Process

Where possible coaches/managers should make reasonable attempts to diffuse and resolve any behavioural issues in teams.

Failing this, any player, coach, manager or spectator can lodge a complaint to competitions@ndca.co.nz via email within 3 days of the event. Those sighted within the compliant will have an opportunity to respond to the complaint.

The CA will decide on the complaint and will consider all views of the compliant. At stages, the CA may chose to approach other parties to establish further information.

The CA will use the below table for relevant sanctions following any individual or team complaints.

First Strike	The club/team/individual will receive a written warning of consequences of further “strikes” in regard to tamariki behaviour
Second Strike	The club/team/individual may be required to engage in educational practices. This may be led by NDCA or an external resource.
Third Strike	This may result in suspension from participation within competitions for a period of time.
